

REACH DECLARATION OF CONFORMITY

Dear Customer,

We would like to inform you that COTHERM is informed of REACH regulation and its requirements.

Based on information regarding COTHERM manufacturing and process, data obtained from our suppliers and subcontractors concerning raw material usage and knowledge of applicable standards for our products, COTHERM hereby declares:

All COTHERM products are compliant with REACH regulation 1907/2008/EU from the European Parliament and 18th December 2006 council, and do not contain hazardous chemical substances from candidate list (SVHC) updated by ECHA on 16th July 2019.

<http://echa.europa.eu/candidate-list-table>

Our company COTHERM takes the necessary measures to insure compliance with REACH requirements in all products we deliver to your company.
